The smaller sizes of Symphony are perfect for vanities, jewelry, ties and belts. Medium sizes are ideal for the office, handbags, hats and coats, typically with about 4 to 12 hooks.

The larger sizes are perfect for large walls and open spaces and are popular as a shoe rack, valet rack, or entryway coat rack for the whole family. Mix and match the adjustable multi-purpose hooks to suit your storage needs, and easily adjust the placement of accessories when needs change.
